

## Generant Valve and Regulator Products Statement of RoHS Compliance

Directive 2011/65/EU (RoHS I)  
Directive 2015/863/EU (RoHS II)  
Directive 2018/741/EU (RoHS III)

Date: 08/24/21

Generant Valve and Regulator Products are compliant to the requirements of Directive 2011/65/EU "Restriction of the use of certain Hazardous Substances in Electrical and Electronic Equipment" (RoHS), Directive 2015/863/EU (RoHS II), and Directive 2018/741/EU (RoHS III).

Our brass products containing lead are made from materials compliant to Annex III 6(c) Copper Alloy containing up to 4% by weight which expires July 21, 2021 per Directive 2018/741/EU (RoHS III). However, due to the acceptance by the EU Commission of an application to renew the Exemption, manufacturers can continue using copper alloys with up to 4% lead after July 21, 2021. For further details on the official procedure and updates, visit the EU Commission's website <https://bit.ly/3dcZvxB>.

A handwritten signature in blue ink, appearing to read "Ben Buren".
